VERSE 1

I'm Losing heart
Loosing might
So I'll lay it lay it down
Pick me up
Raise me higher
Set my soul on the road from lost to found

CHORUS

I'll lay it, lay it down
Upon the field that the shepherd laid me down
I'll lay it, lay it down
By the stream among the trees that cool me down

VERSE 2

Found me on
A Path that's wider
And help me lay it down
Teach me to
Lean on you
You call my name down the lane of promise found
