```
              G
I'm Losing heart
           C
Loosing might
      D  C    Bm7  Am7    G     C G
So I'll lay it   lay       it down

Pick me up
          C
Raise me higher

Set my soul on the road from lost to found

I'll lay it, lay it down
           D    C      Bm7      Am7       G    C G
Upon the field that the shepherd laid me down

I'll lay it, lay it down

By the stream among the trees that cool me down
```

VERSE 2

```
              G
Found me on
             C
A Path that's wider
      D   C  Bm7  Am7    G      C G
And help me lay       it down
           G
Teach me to
          C
Lean on you
          D    C      Bm7    Am7      G    C G
You call my name down the lane of promise found
```
